

NACo Drug Discount Program

Lincoln County offers a discount card program to help consumers cope with the high price of prescription drugs. The County is making free prescription drug discount cards available under a program sponsored by the National Association of Counties (NACo) that offers average savings of 20 percent off the retail price of commonly prescribed drugs.

Any county resident without prescription coverage can use this program. Even if you have insurance for prescription drugs, you may still benefit from the discount card, since it may save you money on prescription drugs your existing plan does not cover.
