

Northwoods Tobacco Free Coalition

What is the Northwoods Tobacco-Free Coalition?

Lincoln County Health Department participates within the Northwoods Tobacco-Free Coalition which is a tobacco control and prevention coalition.

This coalition serves Oneida, Vilas, Forest, Florence, Price, Marinette and Lincoln counties.

Together these seven counties work to address tobacco related health concerns within the community.

What Are the Current Focus Areas?

- Outreach and education to local and state leaders
- Addressing the dangers of other tobacco products, such as e-cigarettes
- Support policy change for smoke free air and within multi-unit apartments
- Addressing tobacco related inequalities within our community
- Supports WI WINS tobacco compliance checks
